How you get one

1

Return your 2027 agreement

Sign and return it with the vessel schedule filled in and a current certificate of insurance on file.

2

We validate it

The office checks the paperwork and that your account is in good standing.

3

Your card is issued

Benefits begin the day your paperwork is validated — the office can look you up until the card is in your hand.

Finish early and your card starts working early.

Who it is for

Wet slip licensees and mobile home lot tenants at Grandpappy Point, Little Mineral, and Mill Creek, on a current annual agreement.

Your card, your name on it

Each card is personalized on the back — your name, your home marina, your slip or lot, your member number, and the date it was issued. Two named cards per account.

Cards are personal to the people named on them and may not be lent, shared, or transferred.

It is printed on the same credential going in for gate and door access, so there is one card to carry, not two.

The fine print, in plain words

Good standing. Your card works while your account is current. A payment received by the tenth of the month is timely. If a balance goes past that, the card is suspended until the account is brought current — then it works again. Nothing is cancelled.

What is not discounted. Alcoholic beverages at the ship store and fuel dock. Parts, whether bought at the counter or billed on a work order. Catering and private events. Transient RV sites and cabin stays booked by guests who are not Navigator Card holders. Fees charged by anyone other than BCB.

One discount at a time. Navigator Card benefits do not combine with employee discounts or any other offer.

Present the card. Show your Navigator Card at the register, the fuel dock, or the service counter before the sale is rung up. Discounts are applied at the time of purchase and are not credited afterward.

This is a benefit, not a term of your agreement. The Navigator Card program is separate from your Wet Slip License Agreement or Mobile Home Lot Lease. It is not part of that agreement and does not change it. BCB Marina Group may add benefits, change them, or end the program at any time, with or without notice. Nothing here is a promise for the length of your term.
